**We are Moving Forward Together Forum**

**February 27th and 28th, 2018**

**Day one: 11:00 a.m. – 12:15 p.m.**

### **ESA Guidelines Discussion Questions**

1. Are there other considerations or topics that should be included in the ESA guideline?
2. Are there other questions that should be included in the “Conversation Starters” set out the guideline?
3. Please comment on the format, level of detail, usefulness, clarity, etc.
4. How would you suggest the Parties support the successful implementation of the guideline?
