

KINOOMAADZIWIN EDUCATION BODY

Anishnawbe Aadzwin. Anishnawbe Bimaadzwin.

April 2022

Aanii Chiefs and Education Directors,

The Kinooaadziwin Education Body (KEB) continues to advance many of the projects and activities identified in the work plans of the Anishinabek Nation Education Agreement and the Master Education Agreement. These projects and activities assist the overall development of the Anishinabek Education System (AES), and they contribute to the overall implementation of the agreements with Canada and Ontario.

Currently, the KEB is continuing activities under Project 13 of the Master Education Agreement's Multi-Year Action Plan (MYAP). This project sets out the implementation of the *Data and Information Sharing Agreement* between Ontario and the KEB. The agreement allows for sharing student data and information for specific purposes identified in the Master Education Agreement.

In 2019, an initial effort was undertaken to collect consents from Anishinabek students, however this activity requires multiple efforts and different strategies to reach its completion. A phased approach has been identified to better support the collection of consents for students residing on-reserve and off-reserve. The collection of consents and data sharing are essential elements to:

- supporting student success and well-being;
- informing program planning and service delivery;
- developing reports and statistics for the AES; and
- evaluating overall system achievements, among other things.

The enclosed package contains the necessary consent materials for school-aged citizens belonging to your First Nation. We kindly ask that your community identify a champion to work closely with the education department to distribute and collect the consent form packages to on-reserve and off-reserve citizens of your First Nation.

For support and information regarding the collection of consent forms, please contact Tracy Hanzlik, Data Management Officer by email at tracy.hanzlik@a-e-s.ca or by phone at 705-845-3634 ext 210. We will be glad to assist in this process.

Miigwech,

Andrea Crawford, Senior Operations Manager
Interim Director of Education Team
