

KINOOMAADZIWIN EDUCATION BODY

March 2025

Independent Contractor – De-Streamed Math Instructor

September 2025 – January 2026

SUMMARY

The successful contractor will provide curriculum content in the delivery of a high school credit and will be teaching Grade 9 De-Streamed Math. The course to be offered is MTH1W. The successful contractor will guide successful learning by providing a personalized, online learning course and fully utilizing instructional technology and software programs to assist and manage instruction.

DUTIES AND RESPONSIBILITIES

- Deliver an e-Learning course from September 2, 2025, through to January 30, 2026.
- Plan and deliver engaging, culturally relevant lessons that reflect local perspectives where possible.
- Ability to create and manage on-line courses, assignments, assessments and resources incorporating current pedagogical frameworks (i.e. project-based, personalized).
- Ability to support students with course adaptations and modifications to suit individual needs.
- Ability to work with and provide tutorial support for students online. Engage learners through a virtual learning platform – D2L.
- Experience and skills with online learning technology support, course design and development in D2L / Brightspace.
- An understanding and commitment to the professional standards of online learning.
- Report to the Systems Principal of the Kinooaadziwin Education Body Virtual High School.

THE REQUIREMENTS

- Valid Ontario College of Teachers' Certificate of Qualification.
- Previous experience teaching Mathematics in a High School setting.
- Experience using virtual teaching tools and platforms.
- Awareness and appreciation of First Nations culture.
- Excellent communication and interpersonal skills.
- AQ course in Senior Mathematics is an asset.
- Ability to Provide a VSC Screening

CONTRACT TIMELINE

September 2, 2025, to January 30, 2026

LOCATION

This is a remote contract intended to support a virtual course. The successful contractor will work from a remote office to be determined. Reliable internet access is required.
