Anishinabek First Nations
Members Resolution # 06- 2020

Kinoomaadziwin Education Body Annual Report on Student Success and Well-Being

MOVER: Proxy Laura Colwell, Mississaugas of Scugog Island First Nation

SECONDER: Chief Mark Peters, Munsee-Delaware Nation

Whereas:

the Participating First Nations established the Anishinabek Education System to support student success and well-being;

the Participating First Nations believe that every Anishinabek student can achieve success and well-being in the schools they attend and can expand their knowledge of the Anishinaabe language and culture through the strategic initiatives and support from the Anishinabek Education System;

one of the ways that the KEB and the Participating First Nations can help Anishinabek students to succeed is to carefully evaluate student achievement and growth year over year and to share that information with the Participating First Nations, parents/guardians and our education partners annually;

the Participating First Nations confirm that understanding how students are achieving in school and how to support that achievement is integral to their success;

Now therefore, the First Nation Members of the Anishinabek Education System hereby direct that:

1. the KEB develop a detailed plan identifying the information to be collected annually from the First Nations and the Ontario District School Boards on student and school

achievement in relation to Anishinabek student success and well-being and the timelines for submission of the information;

2. the personal privacy and confidentiality of individual students will be protected and only aggregate data will be reported by the KEB;

3. the plan for collecting and reporting information be shared with the Participating First Nations for review and input prior to implementation of the plan;

4. the KEB implement the plan and begin issuing an annual report on Anishinabek student success and well-being for this fiscal year 2020-2021 to establish a baseline for student achievement and success starting for the school year ending June 2021.

IN FAVOUR: 13 OPPOSED: 0 ABSTENTIONS: 0
